Rough overview

Detailed view

How to get to Würth Elektronik?

From México - Querétaro:

Take the highway direction to Irapuato; around 10 kilometers after you pass the toll box of Salamanca take the detour to Leon instead of Irapuato, continue on the same direction until you see a return of a small population called Aldama. Follow instructions below.

From Bajío Airport - Guanajuato:

Take the highway on direction to Irapuato, after you pass Aldama around 2 kilometers at the right you will see a Gas station, next to the Gas station is the entrance to the Industrial Park Castro del Rio.
